“ Carolyn was more than a manager, she was a friend and a mentor to all her employees, and for me, it was a pleasure and honor to work with her during my time at ETMC South Broadway. My deepest condolences to the family and friends. May our Blessed Redeemer lift you up... For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens.

“ Carolyn was such a special lady. I had the pleasure of working with her when I first started with ETMC 23 years ago. She was the first person I worked closely with and we became very good friends. I will always treasure the good times we had. I always loved hearing about her vacations and stories about the weekends she had with the Dylan and Lauren when they were little. She was a wonderful mother, grandmother, friend, sister and mentor Prayers for the family through this very difficult time. May your family find comfort in knowing she is no longer suffering. May you find comfort and peace with our Heavenly Father during your time of grieving. Praying that eventually you will recall special memories and joyous times without sadness. She will be truly missed by all her knew her. She left a great legacy with the example of how she lived her life and the love she showed for her family and friends.

Carolyn was my Supervisor at ((ETMC First Physicians Clinic)that was across from the hospital back in 1998. I happened to see her, after many years, at the 5th Street UT Health First Physicians Clinic in 2018. Peace be with family and friends.

“ Just learning of this today as I no longer work at ETMC and have very little contact with staff. I worked with Carolyn for 20 years. She was a Regional Clinic Manager and I was the Janitorial Regional Manager for services in non-hospital clinics and buildings through out the system. I worked with her at S. Broadway and Fifth Street clinics when she was a manager and at many other sites when she became a Regional Manager. She was always straight forward, and fair with any requests she had of housekeeping. She was always a pleasure to work with. Carolyn was, to say the very least, a "classy lady". Myself and many other people will miss her. My deepest condolences to her family.
