“ It was a pleasure becoming friends with Chuck at our Holly Lake Ranch Fitness Center. He was an enthusiastic member of our "early morning" crew resolving most of the world's political, economic, and social problems. We were blessed with his positive attitude, humor, and intelligence on a wide variety of issues. He was blessed with a great family, outstanding banking career, and service to our Country. Rest in Peace, Chuck. We will remember you for contributing to our lives making each day a better one.

“ Charles and I grew up together in Medicine Lodge, Kansas. Our parents were close friends and Charles and I were the same age. We went to school together through high school and enjoyed sharing class reunions over the years. Charles was always the life of the party and loved telling stories of our high school years. He was the one who put a dead skunk under the hood of a classmate's car (actually her parents' car). There was never a dull moment with Charles around!
LeRoy and I send our love to Mary Jane and family. Jane Howard Horn
