

Dewey Pinkney Fuller Jr.

October 19, 1944 - October 6, 2021

Services for Dewey P. Fuller, Jr., 76, of Bullard will be held on Friday, October 15, 2021 at 10:00 a.m. at First Baptist Church in Bullard with Pastor Scott Brown officiating and Pastor Doug Morris of The Branch Community Church assisting. The service will be under the direction of Stewart Family Funeral Home.

Mr. Fuller passed away Wednesday, October 6, 2021 in Tyler, TX. He was born October 19, 1944 in Baytown, TX to Dewey Fuller Sr. and Cora Mott Fuller.

Dewey Fuller Jr. married the love of his life on September 2, 1966. Margarie Fae Dossey spent 55 years of love and joy with that cute guy she first saw in the back row of Bible Class at Lee College Baytown, TX. Over the years they enjoyed everything together from their Christian faith to family and friends.

Dewey was a member of First Baptist Church Bullard where he was a Deacon, member of the mowing crew and Overcomers Class. Dewey also served as Deacon, mowing crew, and cooking team with San Jacinto Baptist Church Baytown TX and First Baptist Church Baytown TX before relocating to Bullard TX. His faith led him to be a member of Promise Keepers and Builders for Christ where he helped build multiple churches throughout the United States.

Dewey Fuller Jr. graduated from Stephen F. Austin State University with a Bachelors Degree and earned a Masters Degree from The University of Houston Clear Lake.

Upon graduation from SFA Dewey took a job teaching with Conroe ISD for three years before moving to Goose Creek ISD to finish out his 34 years of teaching, coaching, and mentoring young men and women. While at GCISD, Dewey sponsored the largest Christian Student Union in Harris County. He also started the Liberty Tree History Club, coached football, basketball, and track & field. Students would love to hang out in his room during lunch and activity periods just to be around him. His sense of humor and infectious personality allowed him to reach kids and help them with life's questions.

Outside of the classroom Dewey was known as Coach Fuller on the diamond. His love for baseball prompted him to lead a team in the Baytown Little League East. The East League Giants, under his direction, won multiple League Championships, City Titles, and produced numerous All Star appearances in Region 14. The only team that compared to his love for those young men was the Houston Astros. If you saw Dewey out in public there was a good chance, he had on his Astros hat or an Astros shirt.

Other hobbies Dewey Fuller Jr. loved were hunting and fishing. The enjoyment he had while spending time with his dad, sons, and grandsons out in nature was immense. Whether on a boat out in the bay, fishing off the bank at a pond or running trotlines on Lake Sam Rayburn, Dewey enjoyed the time spent talking about life and events.

Dewey was preceded in death by his parents, Dewey Fuller Sr., Cora Mott Fuller; sister, Nancy Christine Fuller; sisters-in-law and brothers-in-law, Don Hullum, Earl Dossey and Carolyn, and Dean Dossey and Della.

He is survived by his loving family including wife, Margarie Fuller; sons and daughters-in-laws, Dan and Angie Fuller, John and Sarah Fuller; grandkids, Madison Kirkpatrick, Callie Coleman, Cammie Coleman, Cate Coleman, Jacob Fuller, Jonah Fuller, and Judson Fuller; his sister, Dewolyn Hullum; brother and sisters-in-law, George and Leatha Whitaker, Rita Reber, Altha Williamson, Truman and Martha Dossey, and Nelson and Jane Cox. Dewey also has numerous cousins, nieces and nephews who he cherished with all his love.

Pallbearers for Dewey Fuller Jr. will be Scott Hullum, Dennis Hullum, Justin Stockwell, Jason Burgess, David Murray, and Josh Prewitt.

Honorary Pallbearers are Jacob Fuller, Jonah Fuller, Judson Fuller, Truman Dossey, Nelson Cox, George Whitaker Jr., Richard Kimball, Paul Scivally, Bob Spradley, and the Overcomers Class First Baptist Church Bullard.

“ Dewey and I both taught Texas History at Cedar Bayou Jr. together for too many years to count. He was my "Partner" and true friend. Everyone needs a Dewey in their life to laugh with and to know that they are cared about. He loved his family and his Margie so much and was the epitome of a fine man. I don't know how I could have made it many times without him when I needed to leave school immediately because of my parents' illnesses. I could always open his classroom door which was next to mine, just look at him, and hear him say, "Don't worry. I've got you covered," and he truly did. I will miss his calls asking, "How are you Partner?" and then visiting a while about our families. My thoughts and prayers are with you Margie, Dan, and John and all of your families whom he loved and was so proud of. Thank you for sharing him with all of us. God speed my friend and may you rest in eternal peace.
Love, Carolyn Smith

“ I had no idea Coach Fuller lived in my neck of the woods now! I remember him well from my years at Cedar Bayou back in the 70's. Rest in peace.

“ Mr. Fuller (aka Dad for me) was my favorite teacher at Cedar Bayou. He sure did love some History! More importantly though, he loved us in his very sweet and quiet way. My maiden name is Fuller so he used to tell people I was his daughter. We had some people believe it too. I even called him Dad and he called me daughter at school. He sure got a kick out of that! Such a good man and a wonderful Christian role model to all who knew him. My heart is sad to hear of his passing but just know his presence through the years touched so many kids in a positive way. He was very loved and made us all feel the same way. Rest In Peace, Dad.

“ I had Coach Fuller for Texas History out in the “L” building. I think he must have written the book cause he wasn’t using notes.
I was his point guard on the 1975 7A basketball team that recorded a 22-6 season as the North Zone district champions. What a great time we all had, with an awesome man as our Coach.
In the mid-80’s, I returned to CBJ as a teacher/coach. He was now a mentor & friend, but always Coach Fuller to me. Remarkably, I can’t remember a time that he wasn’t making me laugh. Missing you already Coach Fuller.

“ Coach Fuller is one of my fondest memories from Cedar Bayou in 72-75. I will always remember the 14 page report on a county and the map with all the counties on it and mine looked like something else. He was also a member of the church I grew up in along with his parents. I had tears in my eyes when I was given the news but know he and my dad are talking football and baseball today. God bless you, his family and know he touched many lives.

“ Mr. Fuller was my teacher at Cedar Bayou Jr. High in 1986. He had such pride in his school and community that it was contagious. I believe that my interest in history began in his class. He truly cared about me/his students and we could tell. I looked forward to his class every day because of his knowledge of local history, but MOSTLY because of how he treated us in class. He was a wonderful teacher and role model.

“ I wish to send my condolences to the family of Mr. Fuller. Mr. Fuller was my 7th grade Tx history teacher , when I attended CBJ . I credit him for my life long love of history (and old westerns) and I can truly say he was one of the few teachers I've had who you could tell truly cared about us kids. May he Rest In Peace and his love ones find comfort in the amazing legacy he has left behind.

“ So sad to hear about the passing of Mr. Fuller. He was my Geography and History teacher at Cedar Bayou Jr.High from 6-8th grade. I never was good at Geography so I assumed I wouldn't like his class but I ended up loving it because I loved him as a teacher! He was so sweet and kind and there are so many memories of me copying all the “terms” he had filled on his chalkboard so we could earn extra credit. I remember him telling us not to write our terms with “12 foot letters”. He was always a jokester and did a great job making the class interesting. He will be missed and my heart goes out to you, his family. May you be comforted with the memories and love you had for him.
