“ When I think of Edith I think of a person who was always put other people's needs before her own. I treasure all the memories I have going out for either breakfast or lunch and then shopping; making Christmas candy and just spending time talking. I was privileged to get to be a part of her life. My thoughts and prayers are with Martin, Julie, John, Becky and the rest of her family. Rest In Peace now. Another Angel was called home.

“ What wonderful memories I have of Edie. My old neighbor and friend. When in Iowa, our families were close and did many things together. Always there when needed.

“ Oh, how we're going to miss her! She was such a sweet lady... I will never forget what she said to me, when I began visiting Highland Presbyterian Church with Mike: "It is so nice to see you"... That made quite an impression on me. She was a true Christian woman. Praying for you all for comfort and blessings of great memories (I'm sure there's an endless supply) to comfort you.

But, you can be sure that the moment she passed away, she woke up in Heaven. She is well in Heaven... no more pain, discomfort, sadness... etc.
