

## John Mack Richburg

March 4, 1933 - December 14, 2021

John Mack Richburg passed away in Tyler on December 14, 2021. He was born to John S. and Nita F. Richburg in Abilene, Texas, on March 4, 1933, and grew up in Flint, graduating from Tyler High School in 1950 and attending the University of Texas at Austin.

An Air Force veteran, he was a 40-year resident of Port Vincent, Louisiana, until he moved back to Tyler in the spring of 2021. His work in oil and gas inspection took him to refineries from St. Croix to Canada and all over the United States.

He enjoyed traveling with his wife, Regina, who preceded him in death. John is survived by daughter, Jana Jamison, and her husband Bill; son, John Dudley Richburg; and daughter Jyll Richburg and her husband Stacy Shew; grandchildren, Andi Jamison, Jack Jamison, Benjamin Shew and Delaney Shew; sister, Elnora Williams; and niece and nephew, Charelle Jackson and David Williams.

In accordance with his wishes, no service will be held. We rejoice he is at peace with his Savior and treasure the time we shared together.

“ My Uncle Mack was an incredible individual. He could do most anything from building a hot rod to flying a jet... really! I learned from a young age by watching him that one can do most anything, you just have to have the drive to try. I remember him restoring an old pickup at my grandparents old home place where he had an outside workshop which was basically an old carport. He was an unbelievable welder. He built a spiral staircase and balcony rails from steel for our home. He handcrafted dozens amazing projects over the years. Ill miss you uncle Mack, tell Mamaw and Pappa John hello from me.
