

Louis Eugene Chaump Sr.

May 5, 1935 - January 5, 2020

A requiem mass for Louis Eugene Chaump Sr. will be held on Saturday, January 18, 2020, at 10:00 a.m. at St. Mary Magdalene Catholic Church in Flint. Father James Rowland will officiate the requiem funeral mass.

Affectionally known as “Big Lou and Papa Louie” by his family and friends, due to his oftentimes larger than life persona, Mr. Chaump passed away Sunday, January 5, 2020, in Kyle, TX. Despite his amazing zest for life and will to live, he quietly passed after battling a series of medical ailments over the last few years.

He was born May 5, 1935 in Pittston, PA to Louis John Chaump and Louise Gentile Chaump. Lou grew up on a farm, excelled in academics, sports, school activities, and graduated from West Pittston High School in 1952. He attended Wilkes College and then Penn State University from which he graduated with a degree in Mechanical Engineering in 1957. His education continued beyond his undergraduate studies; he earned his Master’s degree in Engineering Science in 1970 from Penn State.

Louis had a very successful career. He started with Pratt and Whitney focusing on jet engine technology and continued in engineering and management positions with General Electric, Trane, and United Technologies. While working for Pratt & Whitney in Connecticut in 1959, Louis met and married the love of his life, Judith (Judy) Anne Plikaitis, together they had and raised five children and were married for over 60 years.

With GE, Louis spent many years with the company’s Aerospace Technology Group based in Philadelphia. That work included development of aerospace engines and other projects related to the defense industry and NASA’s Apollo Programs.

His employment took him to many countries in Europe, Latin America and the Far East.

For most of his early career and marriage, Louis resided in King of Prussia, PA before accepting a position in 1979 with Trane as Vice President of Engineering, that led Louis

and his family to relocate to Tyler, Texas.

After his tenure with Trane, Louis continued in executive positions in the air conditioning industry working for United Technologies, and Carrier Corporation, the nation's largest manufacturer of air-conditioners holding leadership positions in Indianapolis, Tyler, and Syracuse.

Over the course of his career, Louis was awarded multiple patents for his engineering work in the area of HVAC and variable speed compressor technology; he also mentored and coached many individuals and friends along the way. One of his happiest and most fulfilling professional achievements was being able to use his HVAC expertise to work alongside the Vatican engineering teams and other industry experts to address heat, humidity and filtration issues in the Sistine Chapel in Rome, that were damaging the priceless Michelangelo frescos. Sponsored by Carrier Corporation and others, a state-of-the-art new system was eventually successfully installed. Lou finished his career with United Technologies, as a Vice President of Engineering.

Lou and Judy retired to their home in Tyler, where they lived happily, along with their pup Sadie, for essentially the rest of their lives.

Even in retirement, Lou was forward thinking. He loved technology and science and was a founding board member of an Austin technology start-up company called Concepture.

Louis was a life-long learner and strong believer in formal education. His devotion to the Tyler Catholic School System included serving as the president of the school board, president of the TK Gorman athletics booster club, participation in numerous steering committees, and fundraising. His love of education and helping others continued throughout his life, as the Chaump family sponsored scholarships for students through the Tyler Catholic School Foundation. Lou and Judy were firm believers that an educational foundation was the key to the future of the Catholic church. Louis was also happy and proud to support his alma mater, by creating a permanently endowed scholarship for engineering students at Penn State University.

Louis was a devout Catholic; he served as a Eucharistic Minister, and as an active parishioner of St. Mary Magdalene Church in Flint. He enjoyed participating in church events and was thrilled to contribute to the capital campaign to help finance the new church at St. Mary Magdalene.

Louis was a member of the Knights of Columbus council 14362. He was instrumental in

the founding of the Knights chapter at St. Mary Magdalene and held the positions of Chancellor, Council Trustee, and Grand Knight. He had a strong devotion to his faith and community and enjoyed giving his time and engaging in community activities. During Lent, Lou could often be found at the Friday evening K of C fish fries. He also enthusiastically volunteered at the parish food pantry. Lou embodied and lived the four core principals of the Knights of Columbus: Charity, Unity, Fraternity, and Patriotism.

Lou was an avid golfer. A long-time member of Hollytree Country Club, he served as the President of Hollytree's Member Golf Association. A highlight for him and his passion for golf included a hole in one on Hollytree's hole number 13, which sits on the course just across from the home he and Judy built.

Louis was preceded in death by his beloved wife Judy, his brother George Chaump, and sister Marie Lepore and his parents. He is survived by his brothers: Donald Chaump, of West Pittston PA, John Chaump, Levittown, PA, and sister Darlene Chaump, of Atlanta Georgia, his children: Susan Nichols (Robert) of Houston, Louis Eugene Jr. of Driftwood, Anthony of Buda, Peter (Julie) of Dallas, and Jessica (Aaron) of Austin. Big Lou is also survived by nine grandchildren, Milan Chaump, Kristin Chaump, Kaitlin Chaump, Matthew Chaump, Isabella Chaump, Danielle Chaump, Alexander Chaump, Walker Evans, Luke Evans, numerous nieces, nephews, cousins and many loving friends.

Visitation is scheduled from 5:00 - 8:00 p.m. with a Rosary from 6:00 to 7:00 p.m. on Friday, January 17, 2020, at Stewart Family Funeral Home, 7525 Old Jacksonville Highway in Tyler.

If desired, in lieu of flowers, memorial contributions may be made to the Tyler Catholic School Foundation, P.O. Box 131175, Tyler, Texas 75713, or to the charity of your choice.

“ It's hard to believe that Lou is gone. He was such a force of nature. I don't think it's really hit me yet...

I worked for him for seven years at GE/Trane. As my boss, he was a charismatic leader and a wonderful mentor. GE personality tests classified him as an "Expressive Driver" - a mover and shaker with an inborn sense of marketing. Beyond that, Lou was that rare combination of exceptional engineering intellect with outstanding interpersonal instincts.

We have remained friends for almost 40 years. During the last decade, he has been an advisor, mentor and investor, working with me on new software technologies. We often met in person and we spoke on the phone regularly. I'm going to miss his enthusiastic voice.

Over the decades, we developed much more than a working relationship. Lou & Judy invited us into their family activities. Brenda and I loved Lou and Judy very much, and we've watched their five children grow up and become adults with their own children. It warms my heart when I think of them.

Lou Chaump was one of a kind and I will never forget him.

“ Lou was the kindest man I've ever met. Every time he saw me he always gave me a hug and a kiss from one Italian to another. He and Judy will be great missed here at SMM.

Eric Haaga - January 10 at 09:12 AM

“ Although I am sad that I never got to meet Lou, I am proud to be a friend of his daughter, Susan. I know that Susan admired her father greatly, he was her rock. I also know that I get to be the recipient of a friendship from an amazing daughter with a beautiful heart that Lou and Judy lovingly raised, and I am thankful to them for that.

With deepest sympathy,
Debi Williams

Debi Williams - January 09 at 01:24 PM

“ Debi, I just saw this. My goodness, your sweet Kote touched my soul. Thank you friend.

January 09 at 11:45 AM

“ Although we did not know Lou and his family for very long, we felt they were a very close loving group and we want to extend our condolences and sympathy to them. We lived next door to Lou at Longhorn Village. He and his loving dog, Sadie were wonderful neighbors and we will miss them. Although it was a short time it will always be in our loving memory.

Ralph Weston - January 07 at 11:25 AM

“ thank you Caroline and Ralph -- you made our dad feel very welcome at Longhorn Village.

Susan Nichols - January 09 at 12:00 PM

“ I loved working with Lou on projects for the Catholic School System. He truly loved the Catholic school system

Brian Tuttle - January 06 at 09:40 PM

“ Not only did Lou and I share a birthday "Cinco de Mayo" we also had many years as friends and he and Carl served on the Catholic School Board together. I guess he and Carl and now Vince are up there catching up!!!! He will surely be missed.
