“ I will miss Michelle terribly. I had the privilege to spend time with her this past number of months. It was such a blessing to talk with her, learn from her, and receive care the past few years. She had such wisdom and touched so many people. Michelle was always giving and needed to have her own cup filled and to simply abide. My heart and prayers continue for Daryl and family, and her dear sisters and family in Texas. There will be so many of us who are forever changed by her heart of gold and ceaseless concern and healing touch! God bless you all during this difficult time!

“ Michelle supported so many people in so many ways! From monthly meditation groups, one-on-one interaction with patients, consistently educating and helping people take ownership of their health, I watched and experienced her giving nature for decades. Michelle never stopped giving.

She was a mighty force, bright light and powerful lightworker in such a little-tiny, sweet body. She was an old soul & wisdom oozed from her being! I'm so glad to have known Michelle, learned from Michelle & experience Michelle's loving nature.

May you rest in peace & your legacy live strong with all the lives you enhanced, Michelle! Your spirit changed me & I will forever be a better person and teacher because of you. XO

“ Michelle was my soul sister in so many ways! She gently guided me and so many others in monthly Siddah Yoga meditation, followed by tea and treats. We laughed mightily and shared family stories during treatments! I can honestly say Michelle saved my life when I was very sick and was so selfless in her love and help. She was a light for so many, sweet, kind and always had a new remedy to help heal you. Small and mighty, kind and loving! I miss her and cherish our times and memories together. It was an honor and privilege to help her this past year, and for that I'm so grateful. Michelle, I hear your voice and laughter and know you are singing with the angels. Much love to all her family, and so glad I got to meet Suzanne and Felicia. Love Christina
