“ Ann.... we loved Bonnie like a well with an endless bottom.... our hearts hurt so when he was in pain.. we are so blessed that we were able to see him in June... God has taken all that pain away now and we are left with many, many wonderful memories that we will cherish forever... Faye loved him like a brother instead of a cousin and Gary & I like an Uncle.. you will be in our prayers for God to give you strength in these days to come.. and that Bonnie's love stays close to your heart as God puts his arms around you and brings you through this time... we love you dearly

“ I admired A.B. from the first time we met. He was the experienced field representative, and I was a novice claims rep. He shared his wisdom about people and about the rules and regulations. A. B. was loved and respected by those he worked with at Social Security.

“ Words cannot express the love and friendship we shared with Bonnie. He was the first person we met when we moved to Longview in 1960. This was only the beginning of many years of shared work experiences, then many hours of close comaderie after work hours and retirement. We know that Bonnie fought a good fight and showed great courage during his illness. We cannot find sufficent words to fully express how much Bonnie will be missed, but we do know he is wrapped in the arms of our Lord, suffering no more pain.  
Ann, we love you and send special condolences to you and all the family.

“ A.B. knew more about Social Security than anyone else that I have known in my 33 year career. When I was hired in 1975 he helped me, tutored me, instructed me, taught me, and most importantly, he befriended me and took me under his wing. Any success I have had in my profession is directly related to my association with A.B. Allen. I will always treasure our friendship and will long remember our rib lunches at Bodacious. I feel very blessed to have known him all these years and have enjoyed each and every conversation we ever had including that last one on Monday before he passed away. He has finished the race and fought the good fight, and although I mourn his passing, I am glad that he is no longer in pain. However, that knowledge will not keep me from missing him.

“ Although you were only my brother-in-law, I could not have loved you any more if you had been my twin brother.  
I will miss you more than I realize at this time. Rest in the presence of our Saviour, Jesus Christ forever. Amen

“ Ann,

*I know where you are today, as 6 years ago I lost Bobby. Always remember the pain and suffering has ended for them, and we will see them again where there is no pain. I have great memories of you and A.B. and know that you have a lifetime of memories that will help you through these dark days.*

*God Bless you,*
