A Message from Mother to Son

My precious and dear son, God gave you to me for a while so I could love, teach and mold you. You were like a diamond in the rough, but after 19 years, you became a very fine one. You were a blessing of a child, always smiling and shining like the sun. God gave us a chance to see you grow into a fine young man. You made your parents and brothers very proud, always leaving everyone with a smile. You were like a ray of sunshine. Now it is time to give you back. You have left lots of lovely memories as solace for our grief. Now you must return to the Lord to whom you belong. Know that you were loved and will be missed. Be with the Lord and be at peace, my dear son.

“ *My memories of Adrian are plentiful. He was a bright presence and a kind soul. I met “Dudsy” in March through the an0nymooose server and I will forever cherish the time I spent getting to know him. He was always there to make people laugh with a dad joke or cowboy hat. He will be deeply missed by friends all over the world.*

My heart goes out to Adrian’s family during this difficult time. May there be comfort in knowing that someone so special will always be remembered.

“ *My nephew, Adrian, had the sweetest soul anyone could hold. Growing up, he was such a joy to be around. He made everyone around him laugh and smile by just seeing his presence. He was a very respectful and kind young man to us all. I am so thankful I was fortunate to have shared memories with Adrian that I can hold dear to my heart. I will share so many stories and memories you have left Adriancito to let people know the ray of sunshine you were. He will be very missed.*

“ *Even without having met Adrian in person, it was clear to everyone who knew him that he had a good and kind heart. He was always a sunny presence and knew just how to cheer people up with an irreverent joke or a strangely placed cowboy hat.*

To Adrian's family: know that he made people laugh all over the world. His life touched countless others and he will be remembered with joy by so, so many.

To Adrian: Yeehaw, good buddy. I'll miss you.

“ I met Adrian in February through the an0nymoose discord server. I had the pleasure of getting to know “Dudsy” over these past ten months. It hurt me when I had to write the announcement of his passing for our server, as he was a pillar in our community. He will always be remembered as a shining star. Any time he was around, the chat lit up. Adrian was always there for you when you needed him. I will always remember him for the moments that he made everyone laugh. He was our cowboy. I want you to know that your son did not only touch those around him, but had a positive affect on people all over the world. I promise to keep Adrian and your family in my thoughts and prayers during this difficult time. - Gala, Los Angeles California

“ Adrian was a great friend. He always had something positive to say whether it was a joke or supporting those around him. Even though I only knew him for a short amount of time, he was a joy to be around and a warm presence. The world will be lesser without Adrian. I'm gonna miss him.

“ *The purest soul ever known
Childlike purity not yet outgrown
A loving friend
Compassion without end
To hear your voice
Would appeal to me
More so than a choir of angels
Your heart of solid gold
Your jokes never got old
Your laugh and antics
You brought such joy to the world
So much love to the world
The ones you loved
The ones who loved you
Will forever miss and cherish you*

I've been friends Adrian since about march of this year. In the short time I've known him he's left a resounding impact on my life and he meant so much to not only me but to many others as well. I do not believe I can fully articulate how much he meant, but knowing him was nothing short of a pleasure. My thoughts go out to his loved ones and I hope you find some semblance of comfort knowing how much he meant to so many people.

“ Our memory of Adrian was watching him play soccer with the Blast and Transformer teams. He had never played soccer before, but he became our best goalkeeper. Our boys shared so many good memories. Adrian was a very loving and caring young man and we will forever keep him in our hearts. We love the Pecina Family.
