“ Your mom was one of a kind and she will be missed! She never let me live down “hula hooping “ around the block from my house to yours. She loved Jesus and kids and her family. I know how much you will miss her. We all will.

“ When my dad, Harold Lee, married Agnes, I was blessed with the most loving and caring step mother. Every year I sent her a Mother's Day card to express the love and gratitude I had in my heart for her. Soon after she received my card, she would mail me a hand written letter acknowledging the card and expressing her love and application towards me. I will miss Momma Agnes. She was a beautiful individual who was a loving wife to my dad and a wonderful mother to me and for that I am eternally grateful.

“ Condolences to Brenda, Jeff and The many friends of wonderful Agnes. Agnes was such a dear an wonderful friend to my grandmother, Ruth Hood. She was a larger than life character with such a knack for telling a story, many starting with "Can you believe what THAT Jeff Brown did?" Loved the big hugs, warm smile and warmth she always exuded. She will be missed.

“ On Agnes' recent birthday in June, it was very important for me to send her a birthday greeting that would bring a smile for her (especially so soon after her dear friend Marti had just passed about 10 days before her birthday). God is great when HE puts things together and as I thumbed through my stash of birthday cards, my fingers stopped on a WONDERFUL BIRTHDAY CARD that mentioned that sometimes it is better to light one candle...than to be seen in fluorescent lighting. Yes, the HAPPY BIRTHDAY greeting and then at the bottom of the card was a little cupcake with one candle on it. I JUST KNOW THAT NOT ONLY DID AGNES SMILE, SHE PROBABLY GOT A LITTLE CHUCKLE OUT OF IT TOO. I surely hope so. Also, on her actual birthday, I phoned her number and even though just the answering machine got it, I still sang HAPPY BIRTHDAY to her. Let's just say that Agnes had verve and we will all miss her zest for living and others. Oh, she did love the LORD! (This is from Pam Robertson and I joined Green Acres Baptist Church in January, 2016 and also joined Alice Rhodes' SMBS class; then by May 26, 2016 I had double heart bypass surgery. Well, in that in-between time, Agnes and I were in Bobbi Dance and Cathy Powell's group at the same time. That is how I got to quickly know who Agnes was and there you go--SMBS is where we meet and grow together as sisters.

For you the family, may the tenderness of our Lord bring you much peace and comfort at this time. The joy of the LORD is our strength. Nehemiah 8:10

“ My memories go back many years to when Agnes and Jim were part of the ELBERT HOOD share group. She worked with my husband , Arlon,with the youth in Sunday school. I always enjoyed her sense of humor and her willingness to share her thoughts on any subject. It was a joy to be with her in Sunday school the last few years and to hear her beautiful prayers. She will be greatly missed. My prayers go out to Jeff and Brenda and all the family.

“ I met Agnes in a Sunday School class at GABC years ago. She was a delight to our class and never failed to provide some humor with her clever musings. Her prayers were beautiful and came from a heart that loved Jesus more than anything this world could offer. How she must be rejoicing with her dear parents in Heaven.... especially her Daddy. 🙏

My long-time friend. Sunday school and GABC, Supper Club, Golf trips, Shopping trips, Birthday lunches, being neighbors. Too many to count! I especially loved what a powerful prayer warrior she was and how she loved the little mischievous boys she taught in Sunday School; the ones other teachers wanted to run from! She brought out the best in them, as my son Gregg can attest. R.I.P.Sweet friend, until we meet again in Heaven!

“ *I have known Agnes for many years, and I loved her. She was both fun and funny. She was in my Sunday School class, and she always prayed the most beautiful, heartfelt prayers. We knew that she had a close relationship with her Heavenly Father. My children were in her department when they were young, and they loved her personality. She loved and was loyal to her family and friends, and we will miss her.*
