“ We were saddened to learn of the passing of your mom. We knew her both as a friend and as a co-worker. She always maintained a positive outlook for each event. She was quiet a mentor for school nurses who followed in her footsteps. She directed with professionalism, but as a gentle being. May God's peace be with you. Our love and prayers,

“ We are so very sorry about the death of your beloved Aileen. We remember her as a lady with a big heart and a love for people.

We knew both Aileen and Olen through the Tyler School System. My mother, Hattie Garrard, thought so highly of Aileen and Olen. They were friends of my family for years.

Her commitment to her personal family, her school family, and her friends will always be remembered. We know that the family has many wonderful memories to always treasure. She will be greatly missed by all those who knew and loved her. Aileen will live forever in your hearts and minds.

“ Aileen was such a close and dear friend. She taught me so much. She never said negative things about anyone. I loved that about her. We did so many things together. She loved her children and grandchildren, and her sisters. What can I say about such a dear lady? I loved and appreciated the friendship we had.
