“ Al was such a joy to see and talk to. He always had a smile on his face and was ready to talk and share his stories. I first met him when I worked at Ables-Land and then our paths crossed 4 years ago when my son worked with him at Edwin Watts Golf. Bradan always loved working with Al and loved being at his house for Christmas parties. He always told the best stories and gave the best advice. I was so glad I got to see him again and that Bradan had the opportunity to work with him. May God give all of the family the peace and comfort they need at this difficult time. We will be praying for you.

Love,
Teresa & Bradan Myrick
