December 20, 1985 - February 5, 2020

Alisha Gail Preston, 34, of Bullard entered through the gates of Heaven on Wednesday, February 05, 2020. Her life will be celebrated Thursday, February 13, 2020; 2p.m. at Stewart Family Funeral Home with Dr. Danny Loeffeholz officiating. Alisha was a dedicated homemaker, in the true sense of the word. Whether it was baking cookies with her 3 girls or starting a DIY project, which Josh usually had to finish; she was dedicated to them and her important job as head of the home life. Alisha treasured her family and embraced every moment with them. She enjoyed shopping with friends for hidden bargains, photography, crafting, working out, and traveling. She truly lived life to the fullest through simple pleasures, chatting and texting with friends and family. Alisha had a vivacious personality and always made people around her laugh. She is a light that will be missed by all that knew her.

Alisha is survived by her loving family; her husband Josh and three daughters,

Natalie, Kelsey, and Chloe of Bullard Tx; her parents, James Henderson of Glendale, Tx and Ivie Bell of Houston, Tx; her sisters, Leela Repine of Houston, Tx and Brenda Henderson of Tyler, Tx; her brothers, Travis Mitchem of Houston, Tx. and Steven Henderson of Lufkin, Tx; her grandfather, Albert Bell of Houston, Tx; Josh's parents, Shannon & Shauna Preston of Lindale, Tx and Julie & Lee Tilton of Spring, Tx; and many other loving family members who will miss her dearly.

Pallbearers will be Steven Henderson, Travis Mitchem, James Rothlander, Randall Repine, Shaun Preston, and Kyle Preston. Honorary Pallbearer will be James Henderson.

I didn't know Alicia all that well. My memory that stands out the most of her is running into her and Bailey in Flint while I was shopping for honey in this little corner walk up market. Alicia was driving, Bailey was in the passenger seat. I remember laughing. I remember Alicia smiling. I know that she was a gift to those around her and I know that she was dearly loved. I am so very sorry for your loss. You are in our thoughts and prayers. Emily Mariani

Alisha, you were such a kind, beautiful soul. To be your Aunt was such an honor. There is a saying "Love the people GOD gave you because he will need them back one day." I just wish it wasn't this soon. I watched you grow from a little girl and blossom into a beautiful women. Your sense of humor, independence, smile, and love for God is what I will remember most. You will be missed by so many, but the memories of you will last forever. Josh, Natalie, Kelsey, and Chloe were so lucky to have you in their life. I love you!

*Love,
Leara*

I love you Alisha Pooh and & I miss you more and more everyday and my heartache only seems to get worse," but I know now that only GOD can give me the comforth I need and that only GOD can wipe away my tears for good. Till then and untill I see you again I will keep on searching for the answers and real truth of what really happened to you?" and what caused your death!" because I know a healthy 34 year old woman just doesn't just die from the flu while the husband berates me and curses your family calling me names I know for a fact that you would of never allowed that while alive and wanted this to happen muchless liked it. I know there is more to your story and the story isn't over if the story isn't done. As I will keep searching and digging for the real truth and doing what I need to do to find out what really happened to you. So that we both can have peace. Just know that untill then I will leave no stone unturned and I will keep on keeping on and so help me GOD I will never stop and I promise you that I wont let this go until we both get the truth and justice. He knows he's wrong but doesnt care and isnt bothered but he doesnt know who your mother is and what she can do he doesnt realize GOD gifted me in investigations and even more with a primal motherly instinct believe me when I say that this isnt right and neither is your former husband that you made a vow with till death do you part. You now belong to GOD and I serve your GOD and I know our GOD will give me the truth about how you died and what really happened to you that caused your untimely death.

“ Hello my name is Ivie Gail Bell and Alisha is my daughter she's the 2nd oldest and second youngest she's a beautiful sweet wonderful human being with a charming sparkling personality and a very kindred spirit. She was smart and witty and charismatic extremely compassionate she was the glue that held the family together she was also the most forgiving loving child anyone could of ever ask for she absolutely loved and adored her husband Joshua preston and all 3 of her children Natalie Preston 10 yrs and Kelsey Preston 5 yrs and Chloe Preston 11 months old and her older sister Brenda De,Lynn Henderson 36 yrs old and her oldest brother Steven Henderson 35 years and her baby sister Leela Mitchem 29 yrs and her youngest brother Travis Mitchem 26 yrs old and her father James Henderson and her step father Larry Mitchem and of course me the most I am her favorite lol but I will never forget the day she was born she weighed 8lbs and 11 1/2 ounces and she' was the sweetest baby I ever had as I remember holding her in my arms against my chest feeling that power of love and energy radiate from her Body to mine and from mine to hers and we felt as one connected it was the most beautiful feeling in the world I have ever felt it was real love of a mother and daughter and when someone tried to hold her she would cry and and I would lol and say give my kid back right NOW she' doesn't like you! because she's a mommas girl. we were so close I loved her so deeply with all my heart just I knew she loved me too and nothing and I do mean nothing could ever come between that love we felt as a mother and daughter should because it was real and it Was a beautiful natural thing to feel and I will always remember how I would be cuddling her at night after she woke up as a newborn and I would be walking around and holding her in my arms and I will always remember looking into her beautiful brown eyes thanking GOD for her being born and I was protective over her like a mama bear is over her cubs and I never wanted her to ever get hurt. However I wasn't a super mom but I wasn't a bad mom either and one thing I always wanted was for her to be safe and happy and I knew when she fell in love with Josh Preston that she was going to live happily ever after and I believe she was until the day she died 2/15/2020 and even though she's

gone now to be with GOD I know that she will never ever be forgotten because she was loved by so many especially her family. RIP my beautiful sweet child of GOD I will always love you as deeply as I did the day you born and I will always miss you with all my heart and all my soul and I will alway continue to honor you and all of our beautiful sweet memories by continuing to alway try to do the next right thing and always cherish my loved ones and be kind and forgiving and compassionate to all.
