

Allen Hall

February 12, 1997 - April 16, 2012

Allen Stanford Hall, 15, of Tyler, TX passed away on April 16, 2012. Allen's generous heart, sweet smile, and endless sense of humor touched many lives. We will all miss his cheerful spirit and his willingness to help others. In his short time here on Earth, he brought great joy to those who knew him. Allen was a freshman at Robert E. Lee High School in Tyler, TX. "Big Al" as he was known to the baseball team was proud to be a part of high school traditions. He was active with the baseball program at school, and will be missed by many teammates, classmates, and friends. Allen was looking forward to driving school and college. He was a fan of the Longhorns, UT Tyler, and of course, Robert E. Lee sports. He recently began his own lawn mowing business, and was the self-proclaimed "CEO of Big Al's Lawn Mowing Service." In his life, he lived in North Carolina, Arizona, and Texas. He was able to travel with family and see some other parts of the world with different cultures. He brought his friends and family so much joy, and we will treasure the fond memories created during fun times. Words cannot describe the loss we feel from the passing of such a spirited child. To watch him grow was a blessing. To now realize the brevity of his time here is a tragedy. May his life never be judged by the duration, but rather by the wonderful moments and memories we each have of Allen. Allen was looking forward to attending college. A scholarship fund has been established in his name. May Allen's legacy live on through these scholarships, providing others the opportunity to achieve higher education. (The Allen Hall Scholarship Fund at Citizens State

Bank of Tyler, PO Box 7020, Tyler, TX 75711). To the witness, first responders, nurses and doctors who held and cared for our sweet boy, our love and appreciation is immeasurable. We are all forever changed by this tragedy. The family will receive friends on Friday, April 20th from 6:00-8:00 PM at Stewart Family Funeral Home, 7525 Old Jacksonville Hwy, Tyler. Services will be held on Saturday, April 21st at 1:00 PM at Colonial Hills Baptist Church. Burial will follow at Rose Lawn Cemetery. Jesus said, "Let the little children come to me, and do not hinder them, For the kingdom of heaven belongs to such as these." Matthew 19:14

“ *Tiffany and Family --*

This tragedy is still so hard to believe that it is happening. Devin considered Allen as one of his best friends and really enjoyed the time he spent with him. I was really so excited that they had found a friendship with each other and were trying to get their lawn business off the ground together. I think Devin was looking forward to hanging out with Allen more than he as worried about making 'car money'. He truly was a sweet kid and is going to be greatly missed. As I told you on the phone last night -- if there is anything in the world I can do, please do not hesitate to call. Our thoughts and prayers are with you all.

“ *We were so sorry to hear the horrible news about Allen. Allen was always cheerful, kind and encouraging. We have known him since his days at Andy Woods and never saw him unhappy or not helping someone. He will be missed.*

“ I am so sorry to hear of the loss that your family has suffered. As a mother and a grandmother my heart aches for all of you. I remember when "Puda" was a baby, there could not have been a more perfect example of an angel. That blonde curly hair and sweet angelic face will forever be remembered. I will pray for you all that God will bring peace to your hearts and minds. Please know that his sweet soul will never be forgotten.

Love and prayer's,

DeLinda

“ I cannot stop thinking about this precious child. My daughter used to always come home from school talking about her "little brother" Allen. She love him so much. She changed schools back in October, and no longer went to Lee. Allen picked her some flowers and asked her to always remember him. Her heart is breaking that he is gone. Kailey told me that she KNOWS that Allen is a christian because they had spoke about God / Jesus in the past. I take comfort knowing that this precious child is in the presence of our Lord and Savior, Jesus Christ. I am thankful for the man that was first on the scene with Allen, and that he prayed for and with this special, precious little boy. My heart aches for your family.

“ A child is not supposed to be taken from this life before the parents. I cannot begin to tell you how much I am saddened by this news. My deepest condolences to the family and friends of this young man. My thoughts will be with you all. I am so sorry for your loss.

“ Allen always had a smile when I saw him around school. He always had encouraging words, I don't think I ever heard negative words come from him. Nobody will ever take the place of Allen in my heart. R.I.P. Allen. My prayers are with the Hall family.

“ I'm so sorry to hear about your loss. I pray that God will give you peace and comfort in the days to come. I wanted to let you know that although I did not know Allen personally, I saw him the morning of the accident about 10 mins before it happened. He was in front of StayBridge Hotel walking along side his bike. I will never forget the shine in your son's eyes. He looked as if he had a bright joy and I want you to know that he will always have a special place in my heart.
