“ Verlene,

I don't have the right words to express my emotions upon hearing of Nicole's passing. As a child, she was so adventurous and she made me laugh and was a joy to be around.

As an adult working with her at Home Depot, she was such a pleasure to work with and always very professional and respected by her co-workers. Nicole and I had many wonderful conversations in the break room on a variety of subjects and it was always a joy to get the opportunity to talk to her. Odd that two people could work together for nearly a year before discovering "who the other was." Sending you my thoughts and prayers and sincerest condolences to you, Nanette, Joe and family.

Your friend always,

Bob Russell
