“ *Denese, Ashley, and Adam,*

*I was so sorry to hear about the tragic death of Andrew at such a young age. It has been years since I have seen any of your family, but I remember the days of Melanie and Ashley and all their friends at Clarkston, Moore, and REL.*

*I also remember Andrew as first Ashley's older brother and then as a student at Moore.*

*Since there is not an evening visitation, I will not be able to get off work to attend the visitation or funeral for Andrew, but I wanted you to know that my thoughts and prayers will be with your family.*

“ Andrew was my friend since we were 9 years old in Mrs. Harris' 4th grade class all the way through high school and through the orchestras we both played in during those years. He was a unique person that brought joy and laughter to anyone around him. Though we lost touch for many years, he was the same wonderful genuine person when I saw him again, and made me laugh just as hard. I can't express the sadness I feel from this loss and send my deepest condolences to his family and all the rest of his friends who will miss him forever.
