“ Dear Margie, Artie, Floyd and extended family members:

I am the "Heart To Heart " Coordinator at Trinity Lutheran Church in Tyler, TX.

This is a visitation program that we have in our church to keep in touch by visits, calls and cards of all of our shut-in members. A number of the ladies in this ministry visited on a routine basis with Anita and thoroughly enjoyed the visits with her and thought that she was a really cute & sweet lady. We would like to express our thoughts of sympathy to your family with her passing and we will miss those visits with her. We know that she is with Jesus now and is very happy.

Blessings, Shirley Lindsay

“ I just found out today that your Mother passed away earlier this month. I have some very good memories of living in McCook and the time spent with your parents. We lived just down the road from your Mom and Dad, the Cowey family. I will always remember going to your Mother and Dad's house to watch the Ed Sullivan Show the night Elvis Presley sang/wiggled for the whole U.S.A. to see him. We couldn't wait!!! We all sat in front of their T.V. anxiously waiting for the moment (we didn't have a T.V.). Your parents, my parents, the Otto Wagner family, we were all there. Your mom served some of the best cookies that night. It was funny, no one took a bite until Elvis finished performing and then and only then did everyone eat!! Your Mom was always very kind to me and to my parents (Rod and Margaret Cowey and my sister, Jane Cowey Reilly). We always enjoyed being next door neighbors (almost a mile away from each other, but still close neighbors)in McCook. We were blessed having your parents for friends. They were loved by us. Sincerely, Lynn Dworaczyk
