“ Sharon: I am so sorry for the loss of your mother. I know what a sweet lady she was....her goodness and caring spirit were evident through you and your heart. She is walking hand and hand with the Lord pain free and breathing without distress. Just remember she hasn't left you, her spirit will always be near. May God give you some peace through this difficult time. Also, remember your extended family at the hospital are here if you need us----we love you girl!! Take care....
