“ This is Sharla Chachere Costelow, the administrator of Tyler's Robert E Lee 1980s Classmates on Facebook. Like Anne, I was class of 85 at Lee. I'm sorry to say that I did not know her very well, as I was very quiet and shy in high school until someone really got to know me. I remember that she was very kind, and I wish that I had gotten a chance to know her better.

I want you to know that I have posted the memorial information in the Facebook group, and there's so many people sad to hear the news of her passing. She was loved by many of her classmates. I would like to say on behalf of the group that Anne will always be remembered!

My condolences to the family. You will be in my thoughts and prayers this week. I know there are no words that can ease your pain. I lost my husband when he was only 35 years old, and I lost my brother two years ago.

I pray for God to give you some comfort and strength as you go through this very difficult time.

*Sincerely,
Sharla C Costelow*

“ Anne was such a treasure. She was such a beautiful person inside and out. She was a dear friend to me. Our 10 yr class reunion was taking place right after my father had passed away and I wasn't planning on attending because I just wasn't ready to socialize. Anne convinced me to go with her to the reunion. She wasn't much in a mood to be socializing either because she and Paul had just parted ways. But we decided to go ahead and go together and I'm so glad we did. I will always treasure the memories we had and I am praying for her husband and each one of her family members because I know they are suffering greatly. Dear Lord please comfort Anne's family and give them strength to cope with losing one of the sweetest human beings I've ever known.
