“ Your love for Cole Hill CME Church will never be forgotten. You were a faithful member even when you were unable to attend. When it came to getting a project done, you were always there to assist. We love and will always cherish our loving memories of you (sitting on your favor pew). Ms. Maire we thank you for being a loving and understanding daughter that took time out of your busy schedule to bring him to church to fellowship with his friends. Bro. Brown, you were a true friend to me and my family and I will always remember that.
