“ I have many fond memorie's of Uncle Art & Aunt Doris from my childhood. Many day's & night's @ there house. We could stay up late & watch scary movie's and Godzilla ! That was a treat for us. Much of the time we did not have a working TV @ home. I remember Uncle Art having a fit when gas went up to 50 scent's a gallon ! And they had air - condishioning ! He alwas kept the house nice & clean and took good care of everything . Also haveing a wonderful sense of humor ! He was a very kind & loveing man. And raised his kid's to be the same.
