“ We are so sorry to hear of the loss of little Bryce. Even though we have never met, we feel heartbroken for you. We experienced a similar loss last December with the death of our only grandbaby, Jonas. He was only 12 days old. It has been a very trying time for us all. So we wanted to pass on a bit of comfort we found, a hope for the future. It's a soon to be fulfilled promise found in the bible at Revelation 21:4, which says: "And He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." My you too find comfort in family and friends and from ones who share the same grief. One thing that helped our daughter and son-in-law was a brochure called: "When Someone You Love Dies". We can send it to you if you like. Please feel free to email us. Our sincere thoughts and prayers are with you all at this time.
