“ Dear loved ones in Christ:

Our love, thoughts and prayers have been with you during this very sad week. We continue to pray for the Lord's grace to sustain you during this time and days ahead. We know the love and support of family and friends will bring you strength and comfort.

I know there was a great blessing in holding your precious Evie for those few short days. She entered this world knowing she was loved and left knowing she was loved. But, the Love of God is greater far than any love we can hold in this life. He will continue faithful in His love and blessings to you and your family.

I regret that we cannot be with you at the special service for Evie. We love you all very much and continue to pray every day that God will give you strength and comfort for your every need.

In Love & sympathy,
