“ Amanda, Lori told me about your mother and I am so sorry for your loss. I really enjoyed getting to know Bobbie while we attended Tammy's Bible Study at Friendly. She was such a kind and caring lady and was always living out her faith letting Jesus shine through her. What a treasure! Will be praying for you as you learn to live life without your sweet mama.

“ Words are inadequate to say all Bobbie meant to me. Our friendship only deepened over the years. She was full of life, love, beauty and the grace of our Lord Jesus. She loved deeply and was fiercely loyal to her family and friends. I miss you more than words can convey. Blessings and prayers to all of Bobbie's sweet family and wonderful friends. We are all feeling this loss, but heaven is richer to have Bobbie there- face to face with Jesus Christ.

“ We spent many nights just sitting in the car in one of our driveways after decorating at a church function, going out to eat to catch up or pulling an all nighter decorating my shop or getting ready for some church function. Saying goodnight was hard to do because we always had something else to say. More crises to solve. More laughs or tears or prayers. Our lives changed over the years, but no matter how many miles or how much time lapsed between visits, it was as if no time had passed at all. I will never forget that smile, those eyes and the many moments of laughter we shared. I will also remember the day she called upset that God was leaving her sweet Daddy when his life was over thanks to his dementia. I reminded her that God takes us when our work is done. That next day, from many days of silence, he began quoting a scripture that little Hunter was struggling to memorize. I hope Hunter still remembers that moment and that scripture. I also remember when he was in the hospital in Athens and Bobbie called me to come to his bedside. I was blessed to sing the hymns he loved as we knew he was about to change his address to Heaven. Now, she is there with him, without warning. What a glorious reunion it must have been for all of them! I will certainly miss you sweet friend. My prayers will be with all of her dear family. Until we see her in Heaven!

“ *I worked with Bobbie at Austin Bank on Old Bullard Rd in Tyler, Tx. Bobbie was the type of woman who could always make you smile, call you on something if she knew you were messing up so you could strive to be better, and she always treated us younger folks like her baby chicks (it was a good thing and she was respectful about it). She was one of a kind and she will truly be missed in this world.* ”
