“ I remember that Barbara always had a smile for me. She was like mom, even in high school. I miss Barbara but remember the smile.

“ Mike and kids,
Wow....she went too early! No words can help at this time but years from now you will find comfort in knowing how many lives she touched and what a wonderful person she was to many! God will help you through the next few months.....the holidays will be hard. I wish I could say it will get easier. Our thoughts and prayers are with you!
