“ *Death leaves a heartache no one can heal, love leaves a memory no one can steal.*

*Barbara was my dear friend for 25 years. She always had sweet things to say and she always had a smile on her face. Her world centered around Bob, Rob, Reid, and Ryan. She got so much joy out of being a wife and a mom. Then she got to be a mother in law and then a grandmother-life got even better. She knew she was blessed. She loved her friends too. I have great memories of her as we shared life's ups and downs with one another throughout the years. She was so sincere and attentive. She really cared about others. I admired her as a person and as a Christian and I am thankful that my life was touched by Barbara.*

“ *There are just a few people that come along that truly touch your heart and your life. Barbara was definitely one in a million. We first met when we both began our journey and training as Stephen Ministers. Her compassionate heart and precious sense of humor added joy to my life as it did others. I cherished her friendship dearly. I not only loved Barbara but I respected her and admired her. She was such a bright light in my life and I miss her terribly. May God bless her boys, daughter in law and precious grand babies.*

“ *We often tell the story that Barbara was our first guest in our house 13 years ago. We moved to Tyler in 2003 and the day after we moved in we were welcomed in typical "Barbara" fashion with friendship, excitement and class. Since that day we have counted Barbara and Bob among our best friends. We will miss you both. Our hearts and prayers go out to the Renicker family. Pete & Jeanne Loken*

“ *"A true friend is hard to find, difficult to leave and impossible to forget" that is how I feel about my friend "Barb". She was my first friend in Tyler when we moved across the street from her 18yrs ago from Indianapolis. She took me in and showed me around Tyler and took me to newcomer's club, shows and musicals. I loved her sense of humor and always enjoyed our times together. What endeared me so much to Barb was how she cared so much for me and my family's well being. She loved Robbie, Ryan and Reid so very much as family was so very important to her. I am blessed to have known her and Bob and take comfort in the legacy they have left. I will miss you friend but I will never forget you...Love and prayers,

“ *We were so lucky to be friends and neighbors when we first moved to Tyler! To you three boys, you have quite a legacy with the memory of your parents! They were indeed special and wonderful people who we all will miss! I feel a great void in my life right now and it's because of the loss of my good friend, Barbara! Our prayers are with you in this most difficult time! She is with your dad and finally has no pain, worries, stress or anything that is not perfect in His care! Love, Lois Ann Godfrey*

“ I was so fortunate to be able to call Barbara "friend"...and am grieving for you three boys, whom she loved so much. Please know that I share your grief and that there will never be another like her. She had such a zest for life, found joy in the simplest things and leaves a void in so many lives...mine included. You are covered in prayer...Chris Teeple

“ mom , I love you and miss you so much . Even though it's only been a half of a day since you passed away , I am lost and in pain because of such a wonderful mother you are. You are in a better place now and in heaven with dad but am I am amazed you took your last breathe right after I whispered I your that it was ok to let go and that you will be in heaven with dad, Hope, Chief , Lucky, and Midnight, and I kissed your head and told you how much I love you. Mom , you mean the wored to me and we will be together in heaven soon with no worries and pain. Thank You for raising all 3 of us so well and giving us love throughout our lifes. I love you
