It was such a joy getting to share our grandbabies together. We shared their birth, birthdays, halloweens, christmas, and each one was so special because they were shared together. We used to say that we had the most beautiful grandbabies of anyone. Will surely miss you Barbara! You will always be in our hearts!! Connie McCoy-Wasson

Sweet Barbara,

You made a mark on this world

Through your children and your love

Friends knew you well enough,

To go to you, for a warm felt hug

Your three little ones are all grown

Into a beauty and two men

They live their lives with such joy

Then felt their forever end

You graced us with your beauty

With your smile oh so sweet

Grand-babies all around

So you could spoil them with treats

Full of Faith and filled with Love

God guided you up above

To show you there is no fear

But you held on so tightly

So your babies wouldn't shed a tear

On the wings of an Angel

Soaring above the greenest trees

Your soul left their world, sweet lady

Brought them down on bended knee

You made one last round before you left

Just to make your doggy see

You hugged and played and gave a wink

To sweet little Lucy

They will forever be broken

A piece of each of their hearts

Today is just another day

Because your memory

They will forever never part.
