“ *All my life I have never known any other person such as Betty was. When I was in need she took me in as a little lost lamb.I had no home, on food or nothing & she made sure I had it all.When things got better for me, we called my home the Widows Motel.Without her support,love,tears, we shared together, God bless her little soul for the love she shared with everyone,I don't know what all of us would have done without her. We'll always love & miss you.*
