“ Dear Family,

*We are saddened by your loss. I know Aunt Betty was in her 90's but am not sure if we are ever really prepared to say good bye to our mother or grandmother; perhaps even great grandmother. I use to call her from time to time when I was a teenager. Family on my father's side was so distant for me but Aunt Betty was kind enough to take the time and explain who was whom. Having been a Hospice RN for many years, I know how important it is for a beloved family member to have a peaceful death. I suspect her passing was peaceful since she had hospice support. That was a wonderful final gift. May all of you find comfort in the memories you shared.
Sincerely, Poppy Spier Verd (Jimmy Spier's daughter)*

“ Aunt Betty was the closest thing to a real mother I had ever experienced. I learned more from her than I ever did from my real parents.

I wish you well Aunt Betty in your next life! You will be Greatly missed! I want to Thank You for all that you have done for me & taught me over the years. You have always been...& always will be the Greatest Person I have even known! I will always Love You!
