“ *Great picture! I will never forget their bond! Sisters who loved each other but had no problem calling the other one out! I loved the laughter they shared with trying to tell a story and they couldn't get the words out but the 2 of them seemed to know what they were trying to say. I never got the story half the time but they were hilarious! I am thankful for the time I got to come up there to help her before she left to Dallas. She was a Great Aunt Betty! I am sure that could be why we have had a lot of rain from the laughter up in heaven. Love, Melissa and family*

“ *I love the picture Renee. When mom and Betty got together the laughter would fill the room. As I have thought back over the past, the memories are filled with love and warmth. You did a fantastic job taking care of your mom and she loved you so very, very much.*

*Love,  
Margie*

“ I knew Betty when she was "Dr. Bob's" nurse and I was privileged to work with Renee in Houston. Betty was one fine nurse and one great lady. My heartfelt condolences to Renee.

“ I had not met Betty but loved hearing about her through Renee. Hearing about her friends coming to her home and spending time together sure made me like her. I know she will be missed by her family and her friends. Rest in peace, Betty. 🌻
