“ My dearest Gramma...there are not enough words to describe what you mean to me. I will cherish each and every moment that we had during my lifetime. You were always there for me and loved me unconditionally as you did everyone. Through hard times, you never complained, you sacrificed yourself, your wants and needs for everyone else. You left such an imprint on not only your sons lives, but mine. You had a zest for life, for fashion and for your family and I am so blessed that God kept you on this earth long enough to enjoy your 2 great grandchildren. You hold a special place not only in my heart, but theirs as well. It is hard to believe you are gone, no more talks over coffee, no more shopping trips, no more visits. But I find comfort and peace knowing that you are no longer suffering and are home with our Heavenly Father. I love you to pieces Gramma
