“ *The Northcutts were our family's wonderful neighbors in Hollytree for years, but more than just neighbors - they were surrogate parents and grandparents for us. Mrs. Northcutt was so full of life, always ready to go! One day she saw my dad on his motorcycle and she told him she was excited to go for a ride and did! (We included the picture on this site.) At one point my mom reports she told Mrs. Northcutt that she always preferred talking to her later in the day because that's when Mrs. Northcutt had finally slowed to the same speed as everyone else! So full of energy, and it was contagious.*

Always thoughtful, considerate, and kind, Mrs. Northcutt was so generous in sharing food with us over the years, and her casseroles were legendary. After my brother and I moved out of the house to go to college, my parents moved to a different neighborhood. The first night my parents spent at the new house, Mrs. Northcutt sent a full meal over to them, replete with dishes, silverware, placemats, napkins. It was one of the best meals my parents ever had.

We will all miss Mrs. Northcutt's thoughtfulness and vitality. All our love to Toni, Gayla, and all of her friends and family. Our thoughts are with you.

“ Betty has 2 beautiful daughters who have loved and cared for their Mother with their time and compassion. I had been only around Betty a couple of times - but I know she lived life to the fullest from the stories Gayla shared with me. She will be sorely missed by all but never forgotten. May her family find peace in the wonderful life she had with all and know she is at peace.
