“ *Betty has been a part of my family as a niece for over 50 years. We were always buddies and great friends. For years our families shared Easter, Thanksgiving and Christmas and always enjoyed a great meal. We have been to every event imaginable and countless ballgames. We have laughed, and we have cried sometimes doing both for the same reason. She was always the nicest person there ever could be. Betty had a beautiful smile that she shared with everyone, even strangers. Her love for people was real. She loved her children, her grandchildren and everyone else kin to her including me. We all loved her right back. Her memory will always be in my heart. May her beautiful soul rest in peace.*

“ Sweet Betty. We’ve been friends since 1957 in first grade. We are still friends now. In your entire life I never heard an unkind word about you. You exemplified the Proverbs woman. Everyone that knew you, loved your smile, cheerful mood and sweet spirit. Until I see you again, know I love you, Sister~girl. Give our other JTHS70 friends a hug from me.

Betty & I shared a special bond that sadly most cousins don't enjoy today. Countless Sunday afternoons at our grandparents & weeks in the Summer spent on our Papa's farm. A special & blessed childhood. She was the sister I never had. Although our adult lives led us in different directions I knew she was only a phone call away. I'll miss not being able to share our memories but I'll cherish them. I love you Betty & I'll see you in the other side

Betty was a precious Christian friend. We had so much fun at John Tyler. We became really good friends our Sophomore year and was a person you could always depend on to be there for you. What you saw in her was who she always was. And that beautiful smile. I will always miss her terribly. And meeting her at the Cowboy games. It is still unbelievable to know that she is gone from this earth, but I will carry her in my heart forever. Heaven has gained another beautiful angel. See you in heaven one of these days when Jesus calls me home. Love and miss you Betty my treasured friend.
