“ Betty was a precious lady with a kind heart. I worked in the banking world in Tyler, Tx during the 1980-90s and knew Betty as a very accomplished woman who got things done. Catching up with Betty at the Cascades has been a joy and we have many good memories of Betty and Richard. Her smile will be missed as well as her warm spirit!

“ I worked for Betty at City National Bank Whitehouse. She was a great boss. We have kept n touch throughout the years. Betty and Al were a pair. Scott she always talked about you and the last time I talked to her she told me she was getting a grandbaby. Her smile was so big telling me. It's a shame her life was cut too short to of not gotten to enjoy the baby. Your in my prayers.
