“ *Flora, Billy, Evelyn & sons: We were so sorry to learn of Bill's death. He was a special person and I know he will be missed by many. We will always remember good times with you (Flora) and Bill, when Chris & Whitney were young. Allen still loves to tell the story of Whitney's first "tour" of Bill's museum and running into the big bear. He loved playing golf with Bill. Our prayers are with all of you. May God comfort you and give you peace. We love you.*

“ *We are so sorry for your loss. Bill and I spoke frequently about his family and he was always so proud of his children and grandchildren. Going fishing early to lake palestine just wont be the same. God Bless your family and thanks for the many years of service to the community.*

“ *Dearest Flora, Billy and family,*

Upon returning home from a trip, we were extremely saddened to hear of "Big Bill's" passing. Our hearts are so heavy, knowing the grief you are experiencing. Hopefully you can feel the hugs from others like us that extend our most heartfelt sympathy.

It was always so pleasant to walk into the Blue Store and see Bill's smile and hear a funny story or joke. That will be missed more than we can express!

Praying for God's healing comfort for all of you!

Fondest Regards,

Neal and Becky
