“Daddy,  
You were the first man I ever loved. There can only be one baby girl, and you hand picked that spot just for me. You taught me how a man should respect me by the way you treated my sweet Momma. I will miss more than anything, your jokes, your laugh when you heard a funny joke and how incredibly handsome I always remember you being. You were a great Daddy and I miss you more than you will ever know. Fly with the angels handsome. I love you always Daddy. Your baby girl,  
Tammy.

“I'm so sorry for the loss! He was my father in law for 6 1/2 years & he welcomed me in with open arms. He loved his wife dearly & stood by her as she battled lung cancer & now he's reunited with her forever ☺ He loved her daughters as his own & had a great sense of humor. You'll be missed! RIP 💜
