“ I met Billy Blackstock several years ago we were both on a genealogy website. He shared what he had learned about the Blackstocks and We got to meet in Oklahoma when he was up visiting his daughter. We kept in touch but it had been several months when I had last talked to him. I just found out he passed away a few days ago. I will treasure our friendship and kinship as we did find out we were related. My thoughts and prayers are with the family. Shane Blackstock

Billy lived with my family and finished high school. He always attended our family gatherings.  
Please pass my sympathy to Robby, his children, & Wilma.
