“ Billy was the basketball coach at REL when Pat and I taught there during the period of 1970-78. He was later promoted to Assistant Principal, then to Principal. After I left teaching to join the FBI I returned for a visit and Billy gave me the grand tour of the newly refurbished gym, he was so proud of the facility.

Billy was a good friend and Christian example to all who met him. He was held in especially high regard by Hal Fabrizz, his neighbor and a fellow FBI Agent assigned to the Tyler Resident Agency.

May God's blessings and comfort be felt by his family.

“ *Billy Hall was one of the finest men I have ever known. In 1983 I was a teacher at Robert E. Lee and Mr. Hall was my principal. My 4 year old son was injured an automobile accident and on life support for four days in a pediatric ICU at Parkland Hospital in Dallas. Mr. Hall called me everyday during those four days to ask me how my son was doing and to ask me how I was doing. On my return to work he was so considerate of my fragility. I will never forget his kindness and compassion.*

“ *Billy was such a dear friend to the end even though we only knew him a short time, the past three years. He and Sue were so gracious and kind to us while we lived in Tyler. Our prayers are with Sue and Greg during the coming days. May she and Greg recover fully from their surgeries. Regrettably, Deana and I won't be able to attend this celebration of his life but our thoughts and prayers will be with you.*

“ *Sue, my prayers are with you and all the family. I just can't say enough about what Billy (and you!) have meant to me over the years. His dry wit is something I always loved and will never forget (there is a funny story from my graduation night when he was backstage and tried to lead me in the wrong direction - of course he did!) His character, strong belief in the Lord and high principles have made their way into my life over the years - both at school and at church. He loved nothing more than to tease and I loved nothing more than to be teased, so we were a matched set in that regard! He worked with the youth and college kids when I was that age and those are such important years. He always stood up for what was right and true and was always under the wisdom of the Lord. He will always be a part of me.*

Sue, the same goes for you!

God bless you all!

“ *Greg, I am truly sorry for the loss of the presence of your father. I do remember you talking about him often and know that even though there is relief to see his suffering end, you will always miss getting to share your experiences with him and ask him questions despite his recent impairments. The faith legacy he left you is rich and deep and I pray the hope of eternity unbroken by separation, limitation or remorse of any type will give you peace and steadfastness to face whatever lays ahead this side of the new heaven and earth. May God bless you and your family.*

“ *Dear Sue,*
I was saddened to see the news about Billy today. He was one of the best of friends to both my parents and I have such fond memories of Billy and Bill. I wish that I was going to be in town to attend either the visitation or the service at First Baptist, but I am going to babysit my Grandson in the Georgetown, TX area. I just wanted to send you my deepest and heartfelt sympathy!

“ Billy Hall is in one of my fondest memories from the early days of Working together to bring Christian summer camp to Foster children in Smith County. He was game to volunteer in all areas and be in the morning skits at Breakfast club while Sue worked puppets behind the curtains. I can picture Billy in full choir robe lip singing to some silly current day kids song in a skit that had the whole crowd laughing. He and Sue were some of the first people we met at church. They welcomed us into the Sunday school Class they directed for young marrieds. He will be dearly missed.

lorie farrar - June 08, 2020 at 05:52 PM

I echo all of what Lorie said. Billy & Sue are a huge champion for children in foster care. All the hours they spent with Royal Family Kids Camp, I actually have the picture of Billy in full choir robe singing. He always made sure we have the golf carts and water jugs available to use at Camp Tyler. I miss those days with them.

“ Billy Hall was a great man. I had the privilege of working with him on several planning boards to reorganize the educational structure of TISD. He was an outstanding coach at Robert E Lee. He always encouraged me to speak up for the teachers and students --to be an advocate for higher education and to plan accordingly. He was a strong influence in my teaching career. He will be greatly missed by everyone he knew him.

What a tremendous loss for our community. Mr. Hall was a great man. He was my principle at Lee during my high school years and even though he had to tan my behind a few times he was always fair. I always had the utmost respect and admiration for him and I know he will greatly missed. My prayers go out to his family during this painful time. I know all my REL classmates will join me in wishing his family the peace in knowing that we all loved him. RIP sir.....

I admired Billy when I was going to Hogg Junior High and he was at Tyler High. Great athlete and I had the great pleasure of playing against him when he was at Baylor-they kicked us pretty good. Contdolences to his family-I know he will be missed.

I had the good fortune of playing for Coach Hall the last year he coached baseball (1969). I remember him to be a man of integrity and character. I promise you, no one could work a fungo bat with the skill and accuracy of Billy Hall. He could literally wear you out. It's been several years since I have seen Coach Hall, but I want his family to know what a great influence he has been on my life.
