“ I know your father was a "great" man if he was involved with Azleway. I play an active role with the Azleway on CR26 with Gary Duke is the Directory. Go to You Tube--type in The story of Ruth Glenda Branin. It won sooooo many of young men to Christ.

My prayers are with your family, but we both know the angels are rejoicing as the pearly gates opened and he came into the presence of Father with Jesus on his right side.

Amen & Amen!!

*Love in Christ,
Glenda McKenzie Branin*

“ Your Dad was a wonderful man. He hunted with us since 1963. I will never forget his great sense of humor, generosity, and concern for everyone. He did so much for so many. He will be greatly missed by everyone. He may be gone but is not forgotten. My sympathy to all of you.

Today I was thinking about my friend and brother-in-law Bill Partridge. I first met Bill and Frances Afte marrying Frances's sister Dotty in 1955. We were two young kids that were treated like royalty when we came to visit them. After many years they both continued to be the greatest hosts to our family at their beautiful lake house. A kinder couple I was so happy to have known. I will always cherish the time we had together.

“ I will always remember the times you Dad came to the ranch for hunting or filling deer feeders. We spent many hours visiting at the camp. Those were fun times that I will always cherish. I have many fond memories of him and our times together. With Sincere Sympathy

“ I was very sad to hear of your Dad's passing. I would have loved to have been there, but I was unable to get off work. I will always remember the good times at the hunting lease. Your Dad was always wearing a smile and had such a big heart. He will be greatly missed by all. I know that all of us considered your Dad as part of our family. Hunting season will not be the same without your Dad. He may be gone but he will not be forgotten. My thoughts and prayers are with you.
