“ Billy Sr, Mary Gail, Marlynn, Shelly, and Rhonda...I received word this morning. My sympathy and prayers are with each and everyone of you. I remember the all times that we spent together. The trip that Billy Sr., Billy Jr, Bobby, and I took to the motorcycle shop in Lancaster south of Dallas. That was a long ride in the back of that silver chevy pickup. All the times that we rode 3 wheelers at Mud Caverns (the clay pit across the street).The time that Bobby took Billy and I to Swan MX track. All those concerts at the Oil Palace. I remember all the times that we camped out in the back field, and spent the night at each others house. The time that he got the pixxy stix reward for returning the lost dog.LOL...we just couldn't believe that pixxy stix were given as a reward.I can proudly say that Billy was my best friend. Like Brian Adams sings about "Those were the best days of my life". This really makes one stop and think. Why didn't we keep in touch..Even though we didn't I will never forget the friendship that we shared.

“ My most heartfelt sympathy go out to you and your family. Always cherish the Love, Laughter and Joy that you did get to spend with Billy. I speak from experience after losing one myself, Michael(25yrs old) back in 1993. Time has a way of erasing the past but, the memories of His Love will hold the family together steadfast.

“ Billy, I only got to know you through my brother Heath. Many times he has spoken of the fun both you and he had growing up and attending school together. I remember being home on leave from the Navy, maybe in 1984 or so, and you making a trip to Dallas with my family to Wet n Wild. We all had a Great time.  
Your passing at such a young age shows how fragile and precious each and everyone's life is.  
Rest In Peace.

“ To the family, I am so sorry to hear about Billy. My heart goes out to all of you in this very difficult time. I remember when he became a fitness trainer and was very excited. The only problem was he expected Rhonda and I to look as good as he did. I know he is in a wonderful place now. I can't physically be there Friday but will be there in spirit. Love to you all.

“ To the Pyron Family:

*I know this a difficult time for all of you. I am thinking of you & remembering all of you in my prayers. I am a friend of Rhonda's from high school.*

*I always remember Rhonda talking fondly of Billy. I remember how she use to say he was the most layed back guy - that nothing ever ruffled his feathers - just like water off a duck's back - he didn't let anything get to him. And that's the way I will always remember him.*

*May the Peace of Christ be with you all during this difficult time.*

“ Growing up in the neighborhood, my most memorable memory of Billy is him riding his motorcycle around the yard at his parent's house. He loved motorcycles, and the thrill of life. He was a wonderful person, always smiling and quick with a good joke or come back. I know that heaven is alive with the sound of laughter, and probably the revving of his motorcycle. He will be dearly missed, yet I know we will all meet again someday. My deepest sympathy and love to Merigale, Big Billy and the whole family. I am sorry I cannot make it for the services, but know that my love, prayers, and support are there for you.

*With my deepest sympathy and love.*

“ *I was shock to hear about Billy. He was in my English class his sophomore year, then he was my classaide his senior year. He was a fine young man, always well-behaved in my class. He would come to my room sometimes before school and just talk. My thoughts and prayers are with his family. He was a thoughtful, sweet young man who will be missed.*

“ Billy spent a lot of time at my parents' house as we were all growing up. It seems like when you would see Heath you would also see Billy. I have not seen Billy for more than twelve years, however I know that Heath and I have talked about him alot. I always liked Billy and he will be missed. May GOD be with you and your family in this time of need.

“ I am praying for your family. I hope that the knowledge that Billy is with God will give you comfort during this time. Do not hesitate to call me if you need ANYTHING at all.

*The words Jesus spoke to Lazarus' sisters are always comfort to me when dealing with someone's homegoing, even when it is not timely. John 11:25-26 'Jesus said to her, "I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die.'*
