“ *Billy Earl took me on my first date many many years ago. We have been texting to each other every Friday for the past 2 years. In that time, he helped me feel better about myself and encouraged me. We traded stories about our lives and I looked forward to Friday's. His Dad was a great comfort to me when I had bad days and just didn't want to live anymore. I know Billy kept up that support and gave me hope again. I will miss those Fridays, but I know he is with God, his Dad, and many people of Leagueville that loved him greatly. He was a great man of God and I have been blessed to know him.*
