“ For many years, Gene delivered the mail in our area. If he was drenched in sweat from the Texas heat and asked if it was hot enough for him, he smiled and said, "It's just right". If it was raining buckets and rain was pouring off his rain slicker and hat, same answer, "it's just right". In the winter time when it was below freezing, same answer, "It's just right". I would say that he was a man who loved his job and being outside. He was very meticulous about giving good service too.
