“ Bobby was like a second father to me. He is many of my greatest memories from childhood and into adulthood. He kept me and my mother safe at night when my dad worked nights. I always knew we were safe with Bobby across the street. I was so lucky to have grown up surrounded by a second set of parents and to have two sisters in Toni and Kristi. Toni is like my other half. I can't imagine life without Toni or her family in it. We had a charmed childhood and it made us into the adults we are today. Thank you Bobby and Judy for being in my life. I love you all so much.

“ Judy & Girls,
My heart aches for all of you but know he is in a much better place, no more hurting he is at peace now. He is now your guardian angel. It will take all of you a long time to not hurt anymore but don't hold back any emotions cry, laugh & get angry if you have to but do not keep them bottled up and always remember the good and bad times you had. Find your strengths in each other. Also you have a great many friends that have plenty of shoulders if you need to lean on we are here for all of you. Love, Cynthia
