“ To the Winn Family:

Our hearts go out to your family in the loss of Brian. My brother and sister-in-law, Dwain and Sherry Villyard, informed us of the sad news last evening. The larger extended Villyard family has always heard good things about you, their neighbors. Please know that you are in our thoughts and prayers at this difficult time.

Sincerely,

“ I was from St. John, which is a small town 20 miles southwest of Tooele wher Brian was born and raised. Brian was my sisters age, and I went to school with his sibilings Theresa and Tyler. Their grandparents, Meb and CLaudia operated a big ranch a few miles from where I lived and they had big parties. I remember Brian being at my house on several occasions. He was 5 years older than me but he always treated me like an equal. He'd shake my hand and talk to me like a man. That means a lot to a 12 year old boy who thinks that 17 year olds are like god. That smile of his always had the hometown girls swooning.

I haven't seen Brian for years and I am saddened at his passing. My sympathy and thoughts go to his family.

“ *Brian was a very important part of our family. He was always happy, and always had a beautiful smile. We have known Brian for many years and never saw him unhappy. He accepted everyone for what they were with no criticism. Brian was a fantastic Dad, and a wonderful husband. He made this world a better place for all of us. He will be forever missed.*
