“ Bro Lou Thomas was larger than life and the most wonderful, spiritual, and religious man of God I had ever had the pleasure of knowing. Nearly 5 years ago he ultimately became by life savior as he bridged the gap between me and my Lord that I had grown apart from. He and his saving grace and love brought me home....home to God's forgiving and loving embrace! For that and my life that was saved from Intensive Care that week, my heart and my family lift you Bro Lou! You never gave up on me and who I could become and together, with together with Brenda and the church family...you lifted me high and these broken wings were healed and I learned to fly again! Now you soar Bro Lou! Spread your golden wings and fly in the right hand of Jesus!! I was so lucky to have had the honor of you in my life! I will always love you so very much! I love you Brenda and Jabo!!!

“ To the Family of Brother Lou Thomas:

I wanted to tell you how sorry I am for loss Brother Lou. I am grateful for the privilege of having known such a great man. He was someone whose opinion I valued highly, and eventhough I was not a member of Lanes Chapel, he took the time to help me with a difficult situation I was dealing with a few years ago. I know you will receive many tributes like mine, but I just wanted you to know how much I thought of and liked Brother Lou. He was a great man who really cared. Your family will be in my thoughts and prayers.

“ I worked with Lou at Gary Elementary and have kept in touch with him through the years. We chatted via email just a few weeks ago. I told him I was moving back to east Texas after 17 years of being gone and he invited me to come see him and the new church. I am so sad that I did not get to see him, but am glad I was able to talk to him recently. He was a great man with an even greater sense of humor. He will truly be missed. My prayers go out to his family.

“ Bro Lou was one of the most kind, caring, & loving men I have ever had the pleasure of knowing. He was there for me thru the tragic loss of my dearest grandmother, he & Brenda paved the pathway for my family that led us to Christ, as well as love & support thru all areas of our life since meeting him. He has softened my heart & taught me that I my family is worthy of love & prayers from him & my church. I know he is dancing in heaven with our father, but my heart is still breaking as I will never again receive one of his special hugs & kisses on Sunday morning telling me how special I am, he is proud of me & he loves me. I love you Bro Lou & thank you for everything you have done for me & my family. You saved me, when I thought I could never be saved. Love & Prayers for Brenda & the rest of The Thomas family.

“ I love Bro. Lou. He helped me and my whole family when my Dad was sick. He was also there when my brother had surgery. They didn't even attend Lane's Chapel, but he was still there. I will never forget him. God Bless your family.

“ The first time I attended Lanes Chapel (the little church on the corner) as I was leaving Bro Lou shook my hand and said, "Welcome home." That little church did feel like home - just like the church I grew up in. While I was a member there Bro Lou was always available no matter when or where or for what. I remember one time he even came to have lunch with me at work because I had a problem to discuss and didn't have time to get to his office during my lunch break.

Although I moved on to another church several years ago, Bro Lou remained my friend and I am a better Christian from having known him.

My prayers are with his family and Lanes Chapel. He will be missed.

“ I love Brother Lou and will miss him, but in the twinkling of an eye we will meet again. If you want to know somebody really well, go golfing with them and you will see their true nature. It was a joy to watch Lou hit the golf ball. I never saw him boast, but was always humble about his golfing skills and other success. Most of his shots were similar to those of a professional. The few that were not, Lou would just say, "that'll work." Lou used golfing as a tool and never missed a chance to plant a seed for salvation and then reap the harvest. He had a deep, sincere love for lost souls and the results are evident. I pray that God will be with Brenda and the rest of the family during these difficult times.

“ Bro Lou will always hold a very special place in our spiritual development. God used an ordinary, yet extraordinarily radical & mission oriented, disciple to change lives and THAT he did for us in our young marriage. Brenda and Bro Lou let their lights shine, boldly yet humbly embracing fellow believers as well as unbelievers, in all circumstances and truly impacted and redirected our focus as immature Christians. I can't help but question God's plan with expanding his Heavenly kingdom with someone so special on His earthly kingdom but I know Bro Lou's legacy will continue to rock the world for God!

“ Coach "T" along with "Popsy" coached me at Troup High. He taught me to shoot a jump shot and to follow through. He called me "Pistol" for Pistol Pete Maravich. He gave me the confidence that I needed at that time in my life. He was a mentor, an idol, a supporter, and an open ear. He touched so many. I am so proud to have known him and for him to be one of the lights that shone on my path growing up. I admired and loved both Coach "T" and his father. “ My parents, Jane and Earl Swindell were members of Lane's Chapel for 5 years before my father died. When my father was in the hospital and we removed his life support, Bro. Lou came to the hospital and stayed with us until my father took his last breath. This compassion for my family impressed me so much. Not only did he say comforting words but he walked with us through that very difficult moment. I saw the Love of Christ flow through him at this time.

“ Coach Thomas as I always know him was a kind and spiritual fill. I worked as a Substitute Teacher in his class for several times. We always start off with our exercise and the kids they always Ms. Haggerty will you exercise with us. Each students they love Coach Thomas he gets on them when they start acting up. I knew their was something special about Coach. I enjoy working him also as my son Theron (TJ) teacher. He will be miss dearly. Everytime you see him he always deck down clean and looking fly. Mean he was a sharp dresser. Smile. I always love his quotes that he use too put upon the biiboard outside his church on old bullard road. I just like to drive by just to read the board and wirtes the quotes. Here one of my quotes: Sometimes we are so busy complaining by others mistakes. Not taking responabilty by our own. Dinah Haggerty. Faith is the key our heart.

Never give upon God and he will never give upon you. God will give you direction and a plan with it we just have to follow him. We as a christian take off like an airplane fly by faith and hold on to jesus hands in don't let go. Bro Lou is like an angel who took flight by faith and holding on to Jesus hands. He will always be in my heart I love him dearly as a coach and brother in Christ. Hope you enjoy the quotes. Remember he's looking sharp in heaven dress up in his fancy suit and matching shoes. Take care and God be with you always. Soon in very soon we are going to see the king (Song).
