“ Carla was an amazing woman. She was my mentor but most importantly she was my friend. She loved her family, her many cats and she loved life. She touched so many with her kindness and her smile that lit up the world around her. I remember being so surprised that she loved pattering around her house barefoot. I will miss our lunch dates, text chats and phone calls. But above all I will miss my friend. Rest easy Carla B. I love you and will miss you for the rest of my days. Til we meet again on the other side....
My love to your family, fur babies and all those who loved you
