“ Dear Neil, We, like so many other family members, are shocked and saddened by this tragedy. I cannot comprehend your grief or pain. There is solace that she had strong faith as we do. We wish we were there. I have talked to many of your far away cousins in many states and they too share your grief. May God help you to find peace and His words of comfort. God's peace be with you. “ Dear Neil, Carla's parents and friends of Carla,

*I was so shocked to hear of Carla's sudden passing. I got to know Carla back in 1980 when we became roommates for a short time. We had some great times together, both good talks and some good laughs. One time she came in the room with her hands cupped around something. She said she had a gift for me. Then she proceeded to drop a giant toad into my hands and I promptly freaked and threw it out of my hands. Usually, I was the tease, but she got me good!
my heart goes out to you all as you say goodbye to your Carla and miss her so much. I will be praying for you.*

“ Neil,

*Steve and I are so saddened by the loss of Carla. We really didn't realize that she was so sick.
Carla had an impact on both of our lives, but especially mine. She spoke some Godly words into my life back in the 80's and I'm forever grateful for her investment in me. She sure was a lot of fun too! Just last week I was looking at some hilarious pictures of her in the dorm with a nylon stocking over her head!
If there is anything that we can do to help you Neil, please do not hesitate to call on us.
Our prayers and love are with you. May you know the peace of the Lord like never before.*

“ Uncle Niel, We were so saddened to hear of Carla's illness and passing and cant imagine what you and her family are going through right now. Know that you are in our thoughts and prayers as you go through this difficult time. She was a good person and I know she did alot to invest in others during her lifetime. I am so thankful for the years the two of you had together. Those memories you will cherish and will never go away. Keep them close to your heart. We may not know why the Lord took her home at such a young age but take comfort in knowing that He needed her up in heaven and she will shine down upon you! "Each of us may be sure that if God sends us on stony paths, He will provide us with strong shoes, and He will not send us out on any journey for which he does not equip us well" Surround yourself and take comfort in friends and family and the Lord. He will see you through these dark times. We love you and wish we could be there. Keeping you in our prayers.

“ Dear Neil and family,

We are so sad to hear of Carla's passing. Carla was an incredible woman. One that our world will sorely miss. Her heart for Christ and life that tenderly expressed the care and mercy of God to so many through out her life time.

Jane and I both respected and admired all she did to help young women facing unplanned pregnancies and how she helped and enabled others to get involved.

We love you both and are blessed by both your lives!

*Blessings on you my Friend!

“ *Carla....your sweet smile. I remember the time you and Peggy had fun at my expense when I spoke of Peggy's mom not liking something Peggy was doing--like table manners stuff--- You two both laughed... Peggy's friends would know why that is funny, but I had just met her! Strangely, that made me feel all the more comfortable around you.*

Then you married Neil. You invited me to lunch to talk married girl stuff. I felt so honored that you shared with me. I hope I made you feel that way at some point.

Thank you for sharing Carla with us, Most Precious Lord. I, along with the rest of the world, am better for it!!!

“ Carla,
You were my Maid of Honor, my friend, my co-hort in the girls' dorm at the ranch. You even took a turn on rat patrol in New Orleans in the basement of Rev. Byrd's church so the rest of us could sleep. You always smiled, even when that mean nun told us to get off the bus in Juarez and stand in the cold like everyone else. OK, maybe you weren't laughing then. But you laughed a lot, and it made the tough times easier. We all need to remember you that way, and maybe it will make us all feel a little better now.
Neil, God's rich blessings on you forever, man. You are the best. You two were the example of God's love. And I thank you for that example. Peace. I love you both.

“ *Carla's quiet and gentle personality ministered to many young women during her years with Living Alternatives. I will always remember her as one who loved the Lord quietly and yet sacrificially. She gave beyond what many saw and never sought recognition for her service. Carla moved our Center from a small office to a larger one and expanded the services of the Center to receive many more hurting young women. Neil waited for Carla ... and now, she awaits him, as she rests in the arms of our loving God. May the God who holds her now, comfort all she leaves behind.*

“ Dear Neil and family, Carla and I were childhood friends, growing up down the road from each other. We went through grade school and high school together.I was at Carla's house so much back then, her mom thought I was one of hers. We had alot of fun growing up, hanging out at the House of David and going to the beach. Carla would call me or I would call her and say "meet me at the school", which was about half way between our houses. We had a little "hidey hole" at the school that we would go into to get out of the rain and snow, just to talk and hang out. I asked her a couple of years ago if she remembered it and she said yes and that she had even dreamed about it . I will never forget Carla's first car..it was a 1920's or 1930's old black "hoopty". Carla drove us to school in it and I think all of Benton Harbor High School was laughing at us, but we didn't care, no more school bus for us! Many people have said what a wonderful person she was and I can tell you that she was the same wonderful person when we were kids. Carla was my friend way back then and she will always be in my heart. I will miss her forever.

“ I remember Carla to be a true friend when I was in YWAM. She showed the love and friendship that only a woman of God could show.

And now she is with her Lord and Saviour.

I was blessed to have known her while in Ywam.

“ We would not have missed Carla's memorial service, except for a family emergency of our own in Oklahoma.

We'll always remember Carla as a fun person and a hard worker. She came in the earliest days of Youth With A Mission in Tyler, Texas. She had a quiet, calm spirit--the kind of loving person who helped hold a ministry together behind the scenes.

We didn't see you often after you left YWAM, but we know you both continued to make a difference in the community.

Carla leaves a huge hole that can never be filled by anyone else. So many loved her, so many depended on her. I can well imagine that her quiet, loving spirit was vital to the psychiatric patients in Rusk, and to the staff.

Neal, we grieve with you. We're praying for you, that the Lord will heal this tremendous wound. I pray that Jesus will hold you close in His arms. She's with Him and you're with Him, so there is no true separation. Until you see her again, I pray the Lord will show you a little of where your darling Carla is right now--in the most beautiful, safe place imaginable.
