“ I did not know Carly that well we went to TJC together and I would see her sometimes at the hospital. I am so sad to hear about her passing. She was such a sweet and fun person! She made math class much better, even if we got in trouble for talking. My thoughts and prayers are with her friends and family.

“ I met Carly, when she was about 12 years old. Even then she was so full of life and was ready to change the world. She was dreaming of what she wanted to be and do to improve this world of ours, in her own way. She started working with us at Classic when she was old enough! she was always giving us something to laugh about. She made you want to go to work! just to hear about her last adventure. She grew to be a wonderful friend. She will be missed so very much!! all of our love and prayer go out to her family.
