“ *My heart aches for your family, but rejoices that Carmen is healthy and whole once again. I have so many memories of this dear, wise lady who helped me through the most difficult time of my life. She was such a beautiful example of a Christ-like spirit who let her light shine in so many ways. Heaven just got sweeter for all of us who will see her again some day! “ *Dear Robert: I was very saddened to hear of the passing of Carmen. I have so many great memories of all the hours I spent at your house as a teenager visiting Robert. Carmen was so hospitable and always welcomed all of us boys with open arms. When my wife and I visited the West Erwin church several years ago, she was the very first to come over and greet us. May the God of comfort give you comfort and peace during this time. You are in our prayers. Barry Morman*

“ Carmen was such a friend to me. It started in our singing class on Wednesday nights. We could just look at each other and laugh like crazy. We got each other's jokes when really they probably weren't that funny! Later when I had to stay at home with my broken hip, she would call me and start talking right off about something in her Bible reading. She was so excited that I would have to say, whoaaaaaaaaaaaaaaaaaaaaa, now where was that? I could hear the excitement in her voice. She always led me to think and study. We talked and talked. She loved her Lord and showed that love to everyone. I'll miss her so much. Love, Norma Durham
