“ Condolences to the Cauthen family and all of Carol's friends - she will be missed tremendously.

I donated a grove of memorial Trump flags (don't get mad, Carol would have loved the joke).

“ For the nearly 20 years that Carol and I worked together her grace, patience and dedication always shone through. Her lively sense of humor was the icing on the cake. I'll remember how she could brighten a day with a kind word or funny story, how much she loved books, and most of all how much she loved being with her family and friends. May cherished memories of Carol bring comfort to loved ones in the days to come.

“ Carol had an exceptional spirit - always positive, upbeat, and so funny. I was blessed to have worked with Carol over 20 years, witness to her strong character and work ethic. As much as I will miss these traits, I will miss her humor and beautiful smiling face more. Carol kept us all in stitches with her "Friday Funnies" and quick wit. She was truly one of a kind. I know she absolutley loved her family and being an Aunt to her nieces and nephews - I hope that you all will find comfort and peace in the difficult days ahead.
